

## ABOUT US

Suno Studios is an aggregator of Jam Rooms, Recording Studios and Production Houses, currently operating in Bangalore. We have listed the Jam Rooms / Recording Studio / Production Houses on the home page of our website (<https://sunostudios.com>).

We provide ease in booking of recording services using our website/platform. We give the option of comparing studios and booking them online.

A user can book by the hour: Jamming, recording session eg. Audio/podcast/song recording, dubbing, voiceover recording etc. or even can use the music programming, mixing-mastering and post-production services as per their requirement.

### **Mission**

To provide easy access to music studios to artists and musicians.

### **Vision**

To help the people who want to explore music in their life.

### **Values**

Respect Art, Respect Artist, Respect Everyone!
