### **OTHER APPLICABLE FEE FOR USER -**

- I. **Overtime Fee** - In this scenario if any user wants to exceed the time for their session, it is only possible through the studio owner based on the slot available and the additional amount would be paid to the Suno Studios or studio owner based on the services you will be using. Suno Studios will be responsible till the checkout of the customers from the studio.
- II. **Penalty for damage** - We at Suno Studios try to practice best users and facilities and do not expect damage to any studio assets, equipment or services though if such a case is identified then the user has to pay the additional amount to the Studio owner. Studio owners have their own liabilities as well

when such kind of situation comes up. Since it is a matter where both the parties can directly work out on this and get it sorted even if it is not resolved then Suno Studios has all the rights to look upon it and find a solution that will be acceptable for both parties. To report any case of damage to the equipment or studio property, reach out to us at [contact@sunostudios.com](mailto:contact@sunostudios.com).
